Amazing Adventures

**DISCOVER A NEW LEVEL OF
TRAVEL TAILORED TO YOU**

We are excited to announce the launch of our bespoke tours in partnership with The Great West Way. Henrietta Ferguson Luxury Tours invites you to walk in the footsteps of the characters to the likes of Bridgerton, Jane Austen, Harry Potter and more.

Each tour is carefully curated to the interests and timescale of our clients, to experience The Great West Way like never before.

With the chance to choose between an overnight tour or a more in-depth 5-day tour, you will be swept away to the regency period with your own personal Blue Badge tourist guide and private driver. As with all travel with Henrietta Ferguson Luxury tours, your Blue Badge tour guide is awarded by the Institute of Tourist Guiding and is the highest guiding qualification in Britain. All of our tours are curated with utmost care to abide by COVID-19 guidelines, with PPE provided to all of our clients.

Working in partnership with The Great West Way, Henrietta Ferguson Luxury Tours wants our new tours to help people reconnect with family and friends after the lockdown.

As the travel industry works towards recovery, these thematic tours and new programmes for those travelling both domestically and internationally offer a brand new way to connect with the infamous Great West Way region of England.

CEO and Founder Henrietta Ferguson quotes that "now that everyone is coming out of lockdown, we have the chance to reconnect with families & friends and to get to know our own cities and streets once more".

Luxury tours, tailor-made for you.
