

CONSUMER MARKETING ACTIVITY & OPPORTUNITIES

All opportunities in this document are open to buy-in from Ambassadors, as well as destinations, businesses, or organisations who may not be directly on the route, but who are 'within easy reach' and are looking to maximise their visibility.

All Great West Way activity has been designed to compliment your local destination organisation's activity and geared up to develop the touring route, its destinations and businesses as an outstanding and sustainable place to visit, live, work and invest. Together, we are developing one of the world's premier touring routes between London and Bristol.
