

**ENGLAND'S
GREAT WEST WAY®**

DRAFT ITINERARY

Discover Great West Way - East

Friday 18 – Sunday 20 November

Introduction to England's Great West Way

Follow the paths taken by generations of travellers and discover an essential strand of England. Based on one of the first Great Roads commissioned by the Kings of England, the Great West Way winds its way through lush green landscapes filled with the world-famous and the yet-to-be-discovered. Touch Royal Windsor, Roman Bath and timeless Stonehenge, immerse yourself in English village life and Bristol's city energy.

On the Great West Way, extraordinary history rubs shoulders with everyday life. Traditional pubs and inns with World Heritage Sites on their doorsteps, serving craft ales and local farm food. Churches which have watched over their parishes for centuries. Independent shops and galleries filled with contemporary designs and creations.

You don't have to travel far to explore further and delve deeper into England. The Great West Way links London with Bristol through twists and turns and new discoveries. Explore by road, by railway or by waterway. Slow right down, base yourself along the route, walk it or cycle it.

Welcome to the real England. It's England undiluted. It's England concentrated.
