Day 3 **BRISTOL - BATH – CASTLE COMBE**

Breakfast at the hotel and we start our day discovering Bristol, one of the most vibrant and historic of England's cities and the most south-westerly point of the Great West Way. We proceed to Bath, designated by UNESCO as a World Heritage Site in 1987.

We can admire Roman Bath (the remarkably well-preserved remains of a Roman religious spa), Pulteney Bridge, Jane Austen Centre and the Royal Crescent, one of the most photographed streets in England.

In the afternoon we move to Castle Combe, quintessentially English village often named as the 'prettiest village in England.' Castle Combe has featured regularly as a film location. The village has a rich history and the houses are made up of the honey colored Cotswold stone, typical for a village of this area. We will visit the market town of Malmesbury, said to be the oldest continually inhabited town in England. Malmesbury is rightly called the "Queen of Hilltop Towns" being England's oldest borough with a rich history over 1000 years. Dinner and overnight at the hotel.

Day 4

STONEHENGE – SALISBURY

Breakfast at the hotel and we proceed to Stonehenge, the most sophisticated stone circle in the world and one of the wonders of the world and the best-known prehistoric monument in Europe.

Detour 9 miles south of the Great West Way to visit the medieval city of Salisbury in the southern English county of Wiltshire. We can admire the Cathedral with the tallest spire in Britain, which can be seen from everywhere in the town.

Day 5

DEPARTURE
